Wing, C.S. Defective infant formulas and expressive language problems: A case study. Jan. 1990, 22–27.

Wing, C.S. A preliminary investigation of generalization to untrained words following two treatments of children's word-finding problems. July 1990, 151–156.

Woodford, C.M. *See* Lass et al., April 1990, 85–90.

SUBJECT INDEX

Whole-body listening: Developing active auditory skills. Truesdale, S.P. July 1990, 183–184.

Computer-generated information packets for parents. Masterson, J., Swirbul, T., & Noble, D. April 1990, 114–115.

HEARING

NATURE OF HEARING AND ITS DISORDERS

Auditory and Other Otic Pathologies

Meniere's disease in childhood: Implications for management in the school environment. Hance, S.E. July 1990, 132–134.

Hearing Loss and Deafness

A comprehensive PEL-IEP speech curriculum overview and related carryover and summary forms designed for speech therapy services for the hearing-impaired. Erlbaum, S.J. Oct. 1990, 196–204.

Health educators' knowledge of hearing, hearing loss, and hearing health practices. Lass, N.J., Woodford, C.M., Schmitt, J.F.,

Pannbacker, M., Lundeen, C., & English, P.J. April 1990, 85–90.
Meniere's disease in childhood: Implications for management in the school environment. Hance, S.E. July 1990, 132–134.

Effects of Noise and Issues in Hearing Conversation

Equivalent noise dose obtained through hearing aids in the classrooms of hearing-impaired children. Wilde, R.A. July 1990, 147–150.
Health educators' knowledge of hearing, hearing loss, and hearing health practices. Lass, N.J., Woodford, C.M., Schmitt, J.F., Pannbacker, M., Lundeen, C., & English, P.J. April 1990, 85–90.

ASSESSMENT OF HEARING

Acoustical Instruments, Measurements, and Standards

Acoustic reflectometry versus tympanometry in pediatric middle ear screenings. Teele, D.W. April 1990, 121.

Screening

Acoustic reflectometry versus tympanometry in pediatric middle ear screenings. Teele, D.W. April 1990, 121.
Reply to D.W. Teele's comments. Holmes, A.E., Jones Muir, K.C., & Kemker, F.J. April 1990, 122.

Specific Diagnostic Techniques and Approaches

ACOUSTIC IMMITTANCE

Reply to D.W. Teele's comments. Holmes, A.E., Jones Muir, K.C., & Kemker, F.J. April 1990, 122.

PEDIATRIC

Reply to D.W. Teele's comments. Holmes, A.E., Jones Muir, K.C., & Kemker, F.J. April 1990, 122.

INTERVENTION

Habilitation, Rehabilitation, and Education

Developmentally handicapped children: The effect of sound field amplification on word identification. Flexer, C., Millin, J.P., & Brown, L. July 1990, 177–182.
Electroacoustic performance of direct-input hearing aids with FM amplification systems. Thibodeau, L.M. Jan. 1990, 49–56.
Meniere's disease in childhood: Implications for management in the school environment. Hance, S.E. July 1990, 132–134.
Oral language comprehension using hearing aids and tactile aids: Three case studies. Proctor, A. Jan. 1990, 37–48.
A remediation sequence to improve speech intelligibility for students with Down syndrome. Swift, E., & Rosin, P. July 1990, 140–146.

Hearing Aids and Other Prostheses

Developmentally handicapped children: The effect of sound field amplification on word identification. Flexer, C., Millin, J.P., & Brown, L. July 1990, 177–182.
Electroacoustic performance of direct-input hearing aids with FM amplification systems. Thibodeau, L.M. Jan. 1990, 49–56.
Equivalent noise dose obtained through hearing aids in the classrooms of hearing-impaired children. Wilde, R.A. July 1990, 147–150.
Oral language comprehension using hearing aids and tactile aids: Three case studies. Proctor, A. Jan. 1990, 37–48.

LISTENING SKILLS

Whole-body listening: Developing active auditory skills. Truesdale, S.P. July 1990, 183–184.

PRESENT EDUCATION LEVELS (PEL)-INDIVIDUALIZED EDUCATION PROGRAMS (IEP). SPEECH-LANGUAGE THERAPY CURRICULUM FOR HEARING-IMPAIRED

A comprehensive PEL-IEP speech curriculum overview and related carryover and summary forms designed for speech therapy services for the hearing-impaired. Erlbaum, S.J. Oct. 1990, 196–204.

LANGUAGE

NATURE OF NORMAL LANGUAGE

Language Development

Evaluating the whole language approach in language arts: The pros and cons. Chaney, C. Oct. 1990, 244–249.
The social interactive coding system (SICS): An on-line, clinically relevant descriptive tool. Rice, M.L., Sell, M.A., & Hadley, P.A. Jan. 1990, 2–14.
Whole language and the speech-language pathologist. Schory, M.E. Oct. 1990, 206–211.

Language Differences and Different Languages

Multicultural clients: Implications for the SLP. Adler, S. July 1990, 135–139.
Whole language: Cherishing learners and their language. King, D.F., & Goodman, K.S. Oct. 1990, 221–227.

Verbal Learning and Memory

Whole language: Cherishing learners and their language. King, D.F., & Goodman, K.S. Oct. 1990, 221–227.

LANGUAGE DISORDERS

Language Disorders in Children

An analysis of teacher responsiveness to communicative initiations of preschool children with handicaps. Pecyna Rhyner, P.M., Lehr, D.H., & Pudlas, K.A. April 1990, 91–97.
Comparison of process targeting and whole language treatments for phonologically delayed preschool children. Hoffman, P.R., Norris, J.A., & Monjure, J. April 1990, 102–109.
Defective infant formulas and expressive language problems: A case study. Wing, C.S. Jan. 1990, 22–27.
Language intervention within naturalistic environments. Norris, J.A., & Hoffman, P.R. April 1990, 72–84.
A preliminary investigation of generalization to untrained words following two treatments of children's word-finding problems. Wing, C.S. July 1990, 151–156.
The role of the speech-language pathologist in whole language. Westby, C.E. Oct. 1990, 228–237.
The social interactive coding system (SICS): An on-line, clinically relevant descriptive tool. Rice, M.L., Sell, M.A., & Hadley, P.A. Jan. 1990, 2–14.
Spelling, phonology, & the speech-language pathologist. Hoffman, P.R. Oct. 1990, 238–243.
A test of the test of problem solving (TOPS). Bernhardt, B. April 1990, 98–101.
Whole language and the speech-language pathologist. Schory, M.E. Oct. 1990, 206–211.
Whole language in theory and practice: Implications for language intervention. Norris, J.A., & Damico, J.S. Oct. 1990, 212–220.

Learning Disabilities

Defective infant formulas and expressive language problems: A case study. Wing, C.S. Jan. 1990, 22–27.
Spelling, phonology, & the speech-language pathologist. Hoffman, P.R. Oct. 1990, 238–243.

Language Disorders in Mental Retardation

An analysis of teacher responsiveness to communicative initiations of preschool children with handicaps. Pecyna Rhyner, P.M., Lehr, D.H., & Pudlas, K.A. April 1990, 91–97.
Functional communication goals for adolescents and adults who are severely and moderately mentally handicapped. Mire, S.P., & Chisholm, R.W. Jan. 1990, 57–58.
A remediation sequence to improve speech intelligibility for students with Down syndrome. Swift, E., & Rosin, P. July 1990, 140–146.

ASSESSMENT AND INTERVENTION

Assessment

The performance of working class African-American children on three tests of articulation. Cole, P.A., & Taylor, O.L. July 1990, 171–176.
The role of the speech-language pathologist in whole language. Westby, C.E. Oct. 1990, 228–237.
The social interactive coding system (SICS): An on-line, clinically relevant descriptive tool. Rice, M.L., Sell, M.A., & Hadley, P.A. Jan. 1990, 2–14.
A test of the test of problem solving (TOPS). Bernhardt, B. April 1990, 98–101.
Whole language and the speech-language pathologist. Schory, M.E. Oct. 1990, 206–211.

Intervention

Comparison of adult-initiated vs. child-initiated interaction styles with handicapped prelanguage children. Norris, J.A., & Hoffman, P.R. Jan. 1990, 28–36.
Cooperative learning = Effective therapy. Perry, T.L. April 1990, 120.
Functional communication goals for adolescents and adults who are severely and moderately mentally handicapped. Mire, S.P., & Chisholm, R.W. Jan. 1990, 57–58.
Getting into the classroom and making it work! Christensen, S., & Luckett, C. April 1990, 110–113.
Language intervention within naturalistic environments. Norris, J.A., & Hoffman, P.R. April 1990, 72–84.
Motivating hard-core clients. Perry, T.L. Jan. 1990, 59.
Oral language comprehension using hearing aids and tactile aids: Three case studies. Proctor, A. Jan. 1990, 37–48.
A preliminary investigation of generalization to untrained words following two treatments of children's word-finding problems. Wing, C.S. July 1990, 151–156.
The role of the speech-language pathologist in whole language. Westby, C.E. Oct. 1990, 228–237.
The social interactive coding system (SICS): An on-line, clinically relevant descriptive tool. Rice, M.L., Sell, M.A., & Hadley, P.A. Jan. 1990, 2–14.
Whole-body listening: Developing active auditory skills. Truesdale, S.P. July 1990, 183–184.
Whole language and the speech-language pathologist. Schory, M.E. Oct. 1990, 206–211.
Whole language in theory and practice: Implications for language intervention. Norris, J.A., & Damico, J.S. Oct. 1990, 212–220.

Nonspeech Communications Systems

An improvised eye-pointing communication system for temporary use. King, T.W. April 1990, 116–117.

INTERVENTION IN REGULAR EDUCATION SETTING

Getting into the classroom and making it work! Christensen, S., & Luckett, C. April 1990, 110–113.

COMPUTER APPLICATIONS

Computer-generated information packets for parents. Masterson, J., Swirbul, T., & Noble, D. April 1990, 114–115.

CARRYOVER ALTERNATIVES

Peer-assisted carryover alternatives. Dell, E.L. July 1990, 185–187.

PRESENT EDUCATION LEVELS (PEL)-INDIVIDUALIZED EDUCATION PROGRAMS (IEP). SPEECH-LANGUAGE THERAPY CURRICULUM FOR HEARING-IMPAIRED

A comprehensive PEL-IEP speech curriculum overview and related carryover and summary forms designed for speech therapy services for the hearing-impaired. Erlbaum, S.J. Oct. 1990, 196–204.

WHOLE LANGUAGE

Whole language and the speech-language pathologist. Schory, M.E. Oct. 1990, 206–211.

WHOLE LANGUAGE

Whole language: Cherishing learners and their language. King, D.F., & Goodman, K.S. Oct. 1990, 221–227.

LANGUAGE ARTS EDUCATION LITERACY

Evaluating the whole language approach in language arts: The pros and cons. Chaney, C. Oct. 1990, 244–249.

MOTIVATION TECHNIQUES

Motivating hard-core clients. Perry, T.L. Jan. 1990, 59.

SPEECH

NATURE OF NORMAL SPEECH

Development of Speech and Voice

Reply to comment on the reliability of the s/z ratio in normal children's voices. Shearer, W.M. Jan. 1990, 61.

Perception of Speech

Reliability of children's ratings of vocal roughness. Deal, R.E., & Belcher, R.A. April 1990, 68–71.

SPEECH AND VOICE DISORDERS

Articulation and Resonance Disorders

Comparison of process targeting and whole language treatments for phonologically delayed preschool children. Hoffman, P.R., Norris, J.A., & Monjure, J. April 1990, 102–109.

Self-monitoring and generalization in preschool speech-delayed children. Shriberg, L.D., & Kwiatkowski, J. July 1990, 157–170.

Spelling, phonology, & the speech-language pathologist. Hoffman, P.R. Oct. 1990, 238–243.

Physiologically Based Speech Disorders

A remediation sequence to improve speech intelligibility for students with Down syndrome. Swift, E., & Rosin, P. July 1990, 140–146.

Voice and Other Laryngeal Disorders

Reliability of children's ratings of vocal roughness. Deal, R.E., & Belcher, R.A. April 1990, 68–71.

Reliability or difference? A comment on the reliability of the s/z ratio. Madison, C.L., & Seikel, J.A. Jan. 1990, 60.

Reply to comment on the reliability of the s/z ratio in normal children's voices. Shearer, W.M. Jan. 1990, 61.

ASSESSMENT AND INTERVENTION

Assessment

The performance of working class African-American children on three tests of articulation. Cole, P.A., & Taylor, O.L. July 1990, 171–176.

Reliability or difference? A comment on the reliability of the s/z ratio. Madison, C.L., & Seikel, J.A. Jan. 1990, 60.

Reply to comment on the reliability of the s/z ratio in normal children's voices. Shearer, W.M. Jan. 1990, 61.

Intervention

Cooperative learning = Effective therapy. Perry, T.L. April 1990, 120.

Getting into the classroom and making it work! Christensen, S., & Luckett, C. April 1990, 110–113.

Motivating hard-core clients. Perry, T.L. Jan. 1990, 59.

Positioning students with cerebral palsy to use augmentative and alternative communication. McEwen, I.R., & Lloyd, L.L. Jan. 1990, 15–21.

Self-monitoring and generalization in preschool speech-delayed children. Shriberg, L.D., & Kwiatkowski, J. July 1990, 157–170.

Nonspeech Communication Systems

An improvised eye-pointing communication system for temporary use. King, T.W. April 1990, 116–117.

Positioning students with cerebral palsy to use augmentative and alternative communication. McEwen, I.R., & Lloyd, L.L. Jan. 1990, 15–21.

INTERVENTION IN REGULAR EDUCATION SETTING

Getting into the classroom and making it work! Christensen, S., & Luckett, C. April 1990, 110–113.

COMPUTER APPLICATIONS

Computer-generated information packets for parents. Masterson, J., Swirbul, T., & Noble, D. April 1990, 114–115.

PRESENT EDUCATION LEVELS (PEL)-INDIVIDUALIZED EDUCATION PROGRAMS (IEP). SPEECH-LANGUAGE THERAPY CURRICULUM FOR HEARING-IMPAIRED

A comprehensive PEL-IEP speech curriculum overview and related carryover and summary forms designed for speech therapy services for the hearing-impaired. Erlbaum, S.J. Oct. 1990, 196–204.

MOTIVATION TECHNIQUES

Motivating hard-core clients. Perry, T.L. Jan. 1990, 59.

PROFESSIONAL AND GENERAL SCIENTIFIC ISSUES

PROFESSIONAL AFFAIRS

Service Provision Models and Problems

Cooperative learning = Effective therapy. Perry, T.L. April 1990, 120.

The diagnostic conference planning questionnaire for speech-language pathology. Houle, G.R. April 1990, 118–119.

Incidence and Prevalence of Communication Disorders

Defective infant formulas and expressive language problems: A case study. Wing, C.S. Jan. 1990, 22–27.

Research Issues and Methodology

Multicultural clients: Implications for the SLP. Adler, S. July 1990, 135–139.

Reliability or difference? A comment on the reliability of the s/z ratio. Madison, C.L., & Seikel, J.A. Jan. 1990, 60.

Interdisciplinary Concerns

Health educators' knowledge of hearing, hearing loss, and hearing health practices. Lass, N.J., Woodford, C.M., Schmitt, J.F., Pannbacker, M., Lundeen, C., & English, P.J. April 1990, 85–90.

Whole language and the speech-language pathologist. Schory, M.E. Oct. 1990, 206–211.

Whole language: Cherishing learners and their language. King, D.F., & Goodman, K.S. Oct. 1990, 221–227.

PROFESSIONAL TRAINING

Clinical Supervision and Interaction

The diagnostic conference planning questionnaire for speech-language pathology. Houle, G.R. April 1990, 118–119.

Counseling

Computer-generated information packets for parents. Masterson, J., Swirbul, T., & Noble, D. April 1990, 114–115.

TITLE INDEX

Acoustic reflectometry versus tympanometry in pediatric middle ear screenings. Teele, D.W. April 1990, 121.

An analysis of teacher responsiveness to communicative initiations of preschool children with handicaps. Pecyna Rhyner, P.M., Lehr, D.H., & Pudlas, K.A. April 1990, 91–97.

Comparison of adult-initiated vs. child-initiated interaction styles with handicapped prelanguage children. Norris, J.A., & Hoffman, P.R. Jan. 1990, 28–36.

Comparison of process targeting and whole language treatments for phonologically delayed preschool children. Hoffman, P.R., Norris, J.A., & Monjure, J. April 1990, 102–109.

A comprehensive PEL-IEP speech curriculum overview and related carryover and summary forms designed for speech therapy services for the hearing-impaired. Erlbaum, S.J. Oct. 1990, 196–204.

Computer-generated information packets for parents. Masterson, J., Swirbul, T., & Noble, D. April 1990, 114–115.

Cooperative learning = Effective therapy. Perry, T.L. April 1990, 120.

Defective infant formulas and expressive language problems: A case study. Wing, C.S. Jan. 1990, 22–27.

Developmentally handicapped children: The effect of sound field amplification on word identification. Flexer, C., Millin, J.P., & Brown, L. July 1990, 177–182.

The diagnostic conference planning questionnaire for speech-language pathology. Houle, G.R. April 1990, 118–119.

Electroacoustic performance of direct-input hearing aids with FM amplification systems. Thibodeau, L.M. Jan. 1990, 49–56.

Equivalent noise dose obtained through hearing aids in the classrooms of hearing-impaired children. Wilde, R.A. July 1990, 147–150.

Evaluating the whole language approach in language arts: The pros and cons. Chaney, C. Oct. 1990, 244–249.

Functional communication goals for adolescents and adults who are severely and moderately mentally handicapped. Mire, S.P., & Chisholm, R.W. Jan. 1990, 57–58.

Getting into the classroom and making it work! Christensen, S., & Luckett, C. April 1990, 110–113.

Health educators' knowledge of hearing, hearing loss, and hearing health practices. Lass, N.J., Woodford, C.M., Schmitt, J.F., Pannbacker, M., Lundeen, C., & English, P.J. April 1990, 85–90.

An improvised eye-pointing communication system for temporary use. King, T.W. April 1990, 116–117.

Language intervention within naturalistic environments. Norris, J.A., & Hoffman, P.R. April 1990, 72–84.

Meniere's disease in childhood: Implications for management in the school environment. Hance, S.E. July 1990, 132–134.

Motivating hard-core clients. Perry, T.L. Jan. 1990, 59.

Multicultural clients: Implications for the SLP. Adler, S. July 1990, 135–139.

Oral language comprehension using hearing aids and tactile aids: Three case studies. Proctor, A. Jan. 1990, 37–48.

Peer-assisted carryover alternatives. Dell, E.L. July 1990, 185–187.

The performance of working class African-American children on three tests of articulation. Cole, P.A., & Taylor, O.L. July 1990, 171–176.

Positioning students with cerebral palsy to use augmentative and alternative communication. McEwen, I.R., & Lloyd, L.L. Jan. 1990, 15–21.

A preliminary investigation of generalization to untrained words following two treatments of children's word-finding problems. Wing, C.S. July 1990, 151–156.

Reliability of children's ratings of vocal roughness. Deal, R.E., & Belcher, R.A. April 1990, 68–71.

Reliability or difference? A comment on the reliability of the s/z ratio. Madison, C.L., & Seikel, J.A. Jan. 1990, 60.
A remediation sequence to improve speech intelligibility for students with Down syndrome. Swift, E., & Rosin, P. July 1990, 140–146.
Reply to comment on the reliability of the s/z ratio in normal children's voices. Shearer, W.M. Jan. 1990, 61.
Reply to D.W. Teele's comments. Holmes, A.E., Jones Muir, K.C., & Kemker, F.J. April 1990, 122.
The role of the speech-language pathologist in whole language. Westby, C.E. Oct. 1990, 228–237.
Self-monitoring and generalization in preschool speech-delayed children. Shriberg, L.D., & Kwiatkowski, J. July 1990, 157–170.
The social interactive coding system (SICS): An on-line, clinically relevant descriptive tool. Rice, M.L., Sell, M.A., & Hadley, P.A. Jan. 1990, 2–14.
Spelling, phonology, & the speech-language pathologist. Hoffman, P.R. Oct. 1990, 238–243.
A test of the test of problem solving (TOPS). Bernhardt, B. April 1990, 98–101.
Whole language and the speech-language pathologist. Schory, M.E. Oct. 1990, 206–211.
Whole language in theory and practice: Implications for language intervention. Norris, J.A., & Damico, J.S. Oct. 1990, 212–220.
Whole language: Cherishing learners and their language. King, D.F., & Goodman, K.S. Oct. 1990, 221–227.
Whole-body listening: Developing active auditory skills. Truesdale, S.P. July 1990, 183–184.
